

Sandy So
Planner

“Every development is different, and our environment is constantly changing, which is why I love working on a variety of projects across Sydney.”

Sandy has worked in both the private and public sector across the Sydney region giving her valuable insights into the local government, community participation and development outcomes.

This knowledge has been fundamental to manage the expectations of all parties resulting in more timely approvals.

Sandy has been involved in a range of infill and greenfield projects including supporting the delivery of community infrastructures in new release areas.

Expertise

- Approval pathway advice and strategy
