

Paul Grech
Director

Paul Grech applies his broad range of town planning experience to every project, delivering balanced, comprehensive and practical advice and outcomes.

Over his 40-year career Paul has become recognised as a leading expert in assessment of complex development proposals, planning controls and policy review, due diligence and floodplain risk management.

Expertise

- Development assessments and major projects
- Floodplain risk management
- Expert witness
- Due diligence
- Strategic planning
- Development contributions

Background

Paul holds a Honors degree in Bachelor of Town Planning from the University of NSW, is registered Town Planner with the Planning Institute of Australia and is a qualified horticulturist (with Distinction).

Paul started his career with the NSW Government in the field of open space and recreation planning. Prior to co-founding GLN he ran his own consultancy and was a Director with private consultants, DFP Planning. Paul also has had experience in the local government sector with Campbelltown City and Wyong Shire Councils.
