

Jack Griffiths
Planner

“I am focused on the efficient use of land, high quality urban design and the management of environmental factors to enhance liveability and growth.”

GLN is Jack's first experience in a professional role. He brings enthusiasm and technical expertise to statutory and strategic planning projects.

Jack has a passion for responsive urban design and sustainability which motivates him to deliver the best outcomes for clients and the community. He seeks to expand his knowledge of town planning in Greenfield and Brownfield areas.

Expertise

- Managing the preparation and lodgement of Development Applications
- Statements of Environmental Effects
- S4.55 modifications to consents

Background

Jack holds a Bachelor of Planning from Macquarie University and completed his student placement at GLN during 2023.

Significant projects include:

- Development applications for subdivision of land in North West and South West Priority Growth Areas.
- Statement of environmental effects and section 4.55 modifications of consent.
