Belinda Carmona

Planner

"I am passionate about supporting our clients through clear, practical, and solutions-focused planning advice."

Belinda is qualified planner with previous experience in local government.

GLN is Belinda's first private consulting role and she is excited to help GLN's clients navigate the complexities of the planning system.

Expertise

- Supporting the preparation and lodgement of development applications
- Statements of environmental effects
- S4.55 modifications

Background

Belinda completed a Bachelor of Planning (distinction) at Western Sydney University in November 2023 and received the Planning Institute of Australia (NSW Division) Prize for the most outstanding graduating student. Belinda is currently completing a Master of Urban Management and Planning at Western Sydney University.

Prior to joining GLN, Belinda was a Development Advisor at Blue Mountains City Council where she developed a practical knowledge of the NSW planning framework through providing planning advice to external customers and participating in pre-development application meetings.
